English/Language Arts/Reading: In reading and writing, we will work on reviewing for the upcoming reading STAAR test. Students will work independently and with their teacher to practice strategies and good habits, as well as building stamina for the upcoming test. The reading STAAR is March 30th.

Math: In math, we will be finishing up our data analysis unit and preparing to take the STAAR test on March 29th. Please be sure to talk to your child about doing their personal best on the STAAR test. After STAAR testing, we will move into the personal financial literacy unit of study.

Science: In science we are continuing with our study of the sun, moon, and earth system. We will be reviewing the water cycle and learning about the moon phases.

Social Studies: Students are learning about the differences in the northern and southern economies in the years leading up to the Civil War. We will move into the causes of the Civil War after the STAAR test.
